

You Ask, We Deliver, Quality Service!!!

Field Service Inspection

Bienvenidos Tax & Svcs is an independent service provider that now offers vehicle and residential photo inspections. Our field inspector is reliable and background checked, so you will have a peace of mind that you are in good hands.

What Does a Field Inspector Do?

Quite often, insurance companies, real estate companies and many other companies need fast and accurate information about the services they provide to their customers. Insurance companies need inspections of damaged vehicles and require a visual photo inspection to complete their report to the insurance company. Real Estate companies also need visual photo inspections to better assess the damages of a property. Bienvenidos Tax & Svcs offers this convenience service in a fast and accurate manner. Our field inspector takes photos, records videos, makes measurements and also provides a detail description of noticed observations. We can accommodate your needs upon request.

The assignment for field inspection can take from a quick 20 minutes to 60 minutes depending on our customer required assignment.

We are professional and responsible to all of our assignments, gives us try.
